

NORRIS

Debra Norris to be Featured on CNN's "America's Premier Lawyers" Series

Debra Norris of the law firm Debra B. Norris, P.C., will be featured on the "America's Premier Lawyers" Series to be broadcast on CNN Airport TV Network in all of America's 43 busiest airports for the entire month of April 2009. American Airlines will also broadcast a one-on-one interview with Debra on all of American Airline's worldwide audio-equipped flights this month.

CNN Airport Network is the only live, satellite-delivered television service that provides up-to-the-minute news, information and entertainment to the traveling public. Each lawyer featured in the "America's Premier Lawyers" Series has been selected on their outstanding reputations and distinguished work in their practice area.

Debra's practice is primarily concentrated in Construction Law, representing owners, suppliers, contractors, subcontractors, and design professionals in the construction industry. An electrical engineer, Debra spent ten years building plants for the oil, gas, and chemical industries. Debra earned a B.S. in Electrical Engineering, magna cum laude, from Louisiana Tech University and a B.A. in Physics, cum laude, from Centenary College in 1984. She obtained her J.D. from the University of Texas School of Law in 1998, receiving the Dean's Achievement Award in Evidence.

In addition to her law practice, Debra is an adjunct professor of "Construction Law and Ethics" in the Construction Management program at the University of Houston and serves as an arbitrator in a variety of technical disputes.
